

New Location for Fall Clean-up Day !!! *Drop-off Site Relocated to Schnecksville Fire Company Property*

North Whitehall Township will be holding a Fall Clean-up Day on **Saturday, October 25** starting at 8 AM until 12 PM behind the Schnecksville Fire Company.

Due to the construction currently taking place at the Municipal Building, the drop-off sites have been relocated to the fenced-in area behind the Fire Co. (site of the Schnecksville Fair).

You **MUST** provide proof of residency, all vehicles will be checked so please have a driver's license or voter's registration card ready upon entering the property.

The following items are examples of what will be accepted:

- Scrap Metal - refrigerators, washers, dryers, freezers, hot water heaters, etc. **Freon must be removed** from refrigerators, freezers, dehumidifiers and air conditioners - **if your item does not have a certificate of Freon removal tag, you will be charged a \$10.00 service charge for Freon removal on each item. NO EXCEPTIONS.**

- Unusable Large Items - old furniture, box springs, mattresses, TVs, vacuum cleaners, etc.

- Usable Furniture/Appliances - in good to excellent condition, all items must still be in working order. Usable furniture will be collected by a local non-profit agency for reuse.

- Usable Clothing - all items must be in good condition and wearable, also includes bed and bath linens, and draperies. Usable clothing will be

collected by a local non-profit agency for reuse.

- Books, Bicycles, Toys, Carpeting, etc.
- Tires - limited to auto/pick-up truck tires and 4 per household. Each additional auto/pick-up truck tire is charged \$1.00. Oversized tires, racing slicks, motorcycle tires, etc. will have additional surcharges.

- Scrap Lumber, Bricks, Concrete, Siding, etc. - **No railroad ties or pressure treated lumber.**

- **Household Hazardous Waste, such as motor oil, paints, chemicals, etc. will not be accepted.**

- Please limit your trips to a maximum of 3 trips per vehicle. That will enable us to accommodate more residents in the time allowed. If you have any questions, please call the Township Office.

The Schnecksville Fire Co. is located on Old Packhouse Road off of Route 309, across from the Exxon Gas Station. Gate will close promptly at noon.

Public Meeting Time Change - Board to Hold Evening Meeting

October 15 Board of Supervisors' Meeting Scheduled for 7 PM

In order that the Board of Supervisors of North Whitehall Township can provide a session of information concerning major capital improvement projects and a bond issuance to fund said projects, the October 15, 2003 regularly scheduled meeting held at 4:00 PM is rescheduled to October 15, 2003 at 7:00 PM.

Following a presentation by two of the Town-

ship's financial consultants, Todd Bushta and Chris Gibbons, the Board will hear questions and comments from the public regarding the issuance of bonds in order to cover the costs of much needed capital improvement projects.

The funding would allow infrastructure and community projects to be accomplished much sooner

in order to support our growing community. Included on the list of proposed projects are three bridge replacements, two new parks, a new garage addition and a storage shed for equipment.

Also anticipated are additional roadway and paving improvements, storm water management projects along Township roads in the Neffs and Rockdale areas. Property acquisition for open space and improvements to the three existing parks are also planned. More information will be available at the October 15th meeting.

New Phone System Allows Residents to Direct Calls

Our Township is growing and the municipal office staff is feeling the growing pains on a daily basis. To help remedy the situation the Township has recently installed a new telephone answering system. Residents can now directly choose the department they wish to call. The new answering system uses a menu to quickly direct your call to the appropriate office.

Upon calling the municipal building you may self-direct your call to the following departments:

- 1 for Zoning, Planning and Permits
- 2 for Roads and Public Works
- 3 for Pavilion rentals, recreation and sports fields
- 4 for Sewage enforcement (Timberidge sewer billing questions should use "0" for receptionist)

You can access a personnel directory by touching # and the first three letters of the person's first name to whom you wish to call. (Example - Nan [626] for Nancy Zimmerman, Planning Office).

Callers may enter the extension of the person or department if it is known and can bypass the menu.

Lastly, you can press "0" for the receptionist. However, then your call must be rerouted to the person or department you are calling and could take several more rings before it is answered.

Residents and staff alike will have a period of adjustment with the new system, but in the end, if you follow the simple menu directions your call will be directed to the appropriate person in a quicker, more efficient manner.

On the right is a handy guide of office extensions. Clip it and keep it for easy reference.

emergency services news

A LETTER FROM NOVA . . .

As you know Northern Valley Emergency Services, Inc. or NOVA is your area's provider for emergency medical services. There are a number of frequently asked questions about our organization that we would like to share with you:

Who is Northern Valley EMS/NOVA? Nova was formed from the merger of three ambulance corps; North Whitehall, Slatedale and Slatington. It consists of a volunteer board of directors, 26 full and part time staff, volunteers, lifetime members and an auxiliary. All dedicated to the success of NOVA.

Where does NOVA operate? Located at 2375 Levans Road, Coplay and 66 Dowell Street in Slatington, NOVA provides emergency services to North Whitehall, Washington and Lowhill Townships and Slatington and Walnutport Boroughs - an area of more than 50 square miles and over 33,000 people.

What services does NOVA provide?

- Emergency Response - 24 hours a day 365 days a year - more than 2300 calls per year, with an increase projected to 3000 in the next 5 years.
- Scheduled Response - includes standby events for community activities such as football games, walkathons, etc.
- Medical Van - transportation to and from medical appointments is available for elderly and home-bound individuals.
- Community Training - provided to fire, rescue and police as well as to community members.
- Social Events - NOVA Auxiliary schedules hall rentals for meeting, parties and special events.

What is the operating budget of NOVA? \$500,000.00 for payroll and \$300,000.00 for operating and equipment expenses push NOVA's budget in excess of \$800,000.00 a year!

Where does NOVA get its funding?

- Billing - We bill auto insurance, Medicare, Workers Compensation and other insurance companies. Average reimbursements from insurance companies is less than 50% of the total bill, we expect reimbursement to decline.

- Subscriptions - Covers individuals for ambulance expenses that are not covered by insurance. If you do not subscribe, you are responsible for insurance deductibles, coinsurance or expenses not covered by insurance. You will be billed separately for these items.

- Grants - This is funding from state and federal governments and philanthropic organizations. Unfortunately, this money is difficult to obtain and generally cannot be used for operating expenses.

- Community Government - Currently while we receive donations from some of the municipalities, we **do not receive tax moneys or tax support from any of the municipalities.**

- Donations/Fundraisers - This includes raffles, bake sales, coin tosses as well as individual and corporate donations.

- Volunteers - We receive funding in the form of free help from our volunteers. If we had to pay for this it would cost well over \$100,000.00 a year.

What do we need from you? For NOVA to continue to provide service to the community, we need you to recognize the importance of NOVA's services in your community. You can do that through volunteerism or by providing financial assistance via a subscription or a donation. NOVA's motto is "Caring is what we do best." Through your support, you show the community that you care about NOVA's mission.

If you have any questions or would like to further assist us, contact NOVA at 610-262-1075. Thank you for your continued support.

Tri-Clover Fire Co. wishes to thank all the people who donated time, services and materials to make their truck dedication and open house day a success. John Conklin, Emergency Management Coordinator and Joe Pascuzzo, Leh. Co. Commissioner spoke at the event. Coloring contest winners were: 1st-Zoie Moyer, 2nd-Ryder Freed (ages 4-7) and 1st-Damon Bell, 2nd-Brittany Kistler (ages 8-12), winners received gift certificates to Toys R Us. The public is invited to stop by on Mondays nights from 7-9 PM, to see the newly remodeled firehouse. Lastly, there are still T-shirts for sale, call 610-398-0360 or check the web site tricloverfc.org to purchase them.

Scouts Assist in Coplay Creek Stabilization Project

This summer scouts from Troop 57 in Neffs participated in a community service project in conjunction with North Whitehall Township and the Wildlands Conservancy. The boy scouts, under the leadership of Karl Haas, Carl Gillikin and Joe Ulmer, planted 60 seedlings along the banks of the Coplay Creek in the area of the newly constructed Excelsior Bridge.

This project was a segment of the larger Coplay Creek stream bank stabilization project the Township has sponsored through the Growing Greener Grant program with the PA. Department of Environmental Protection. The purpose of the project is to stabilize and revegetate the eroded stream banks and improve the fish and invertebrate habitat of the creek. The Wildlands Conservancy has partnered with the Township to insure that the best management practices are implemented during the improvements and have supplied the seedlings to be planted.

State Representative Paul Semmel, whose land is adjacent to the project area, was also on hand to observe the scouts and commend them for their efforts.

The volunteers who participated, in addition to the scout leaders, included: Christina Panko, Greg Woodruff and Mike Hersch from Wildlands Conservancy, Jay Gillikin, Tim Steward, Jacob Dietz, Steve Kuhns, Tim Brubaker, Josh Heil, Max Balliett, Ben Gillikin, Kevin Gillikin, Josh Dietz, John Dreisbach, David VonFunk and Alex Kristo all members of Troop 57; Township Supervisor Ron Stahley and William Fritzinger and Dianne Wall-Gillikin.

Look for the Lions...

Remember to support the Upper Lehigh Lions food stand at all of the Parkland High School home football games.

Cub Scout Pack 57 Welcomes New Members

- Cub Pack 57 of Neffs is accepting new memberships. The Cub Scout program offers young boys the chance to earn badges, build race cars, develop character, practice good citizenship and just have fun and adventure with other boys their age.

Who: Boys in grades 1 through 5

When: Thursday nights 6:30 till 8:00 PM

Where: Union Lutheran Church, Rt. 873 in Neffs

For more information, please contact Dan Shoemaker at 610-799-2390.

Township Tidbits

Christmas tree recycling

Township residents will be able to drop trees off at the designated recycling bay located to the rear of the Township Municipal Building starting December 26 until January 31, 2004.

Please remove all tinsel and garland before disposing of your tree. No plastic tree bags allowed.

All metal frames must be removed from holiday wreaths.

Christmas trees will be recycled into mulch as part of our organic recycling program.

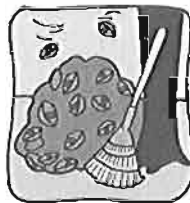

Tire recycling suspended

Tire recycling is suspended from December 1 until April 1. The Township will be accepting tires starting April 1, 2004.

Schnecksville Grange's Flea Market & Bake Sale

The Schnecksville Grange on Route 873 will hold its annual Fall Flea Market and Bake Sale on Saturday, October 11 from 8 AM to 2 PM. The kitchen will be open for lunch and will be serving items such as soup, bar-b-ques, hot dogs and more. Delicious home-made raised cakes, shoo-fly pies and other baked goods will be available.

Fall Leaves ▶ Burning of leaves is permitted in the Township (we prefer that you recycle them), however the following restrictions apply: (1) Fires shall not be set, maintained or allowed to burn before sunrise or after sundown. (2) Fires must be confined

in closed containers made of brick, stone or metal with a mesh cover with openings of not more than one square inch, and such containers should be kept a distance of 10 feet from dwellings, property lines and any other structures, wooden fences or piled combustible materials. (3) The use of containers which are in disrepair is prohibited. (4) Fires shall be set and maintained in areas free of weeds and shall be attended by an adult at all times. (5) **Residents are requested to be considerate of their neighbors when burning with regard to excess smoke and stench.** (6) Fires are prohibited on streets, alleys, public grounds or rights-of-way. (7) Burning of construction waste and household garbage is prohibited.

▶ The Township encourages residents to bring their leaves to the Municipal Building for recycling. Leaves can be deposited in the designated leaf bin behind the building.

Election Day is November 4

The four polling districts within the Township are: Schnecksville Grange, Schnecksville Fire Company, Northern Valley Ambulance Building and Laurys Station Fire Company.

The last day to register or change an address before the Municipal Election is October 6.

To find out what polling district you live in or for any questions contact the Lehigh County Board of Elections at 610-782-3194.

Winter Letter to Our Residents . . . It's not too early to be thinking about winter weather

❖ **Remove basketball stands from rights-of-way.** Residents who own portable basketball hoops are being reminded that you must remove them from the roads and cul-de-sacs before winter weather arrives. The portable hoops make it difficult for snow plow operators to navigate the roads and turn around in the cul-de-sacs. In addition to basketball hoops, other items that should not be left on the street right-of-way during the winter include: garbage cans, parked vehicles, RVs, boats, trailers etc. The Township **will not** be responsible for any damages to such items if home owners fail to remove them from the Township street right-of-way during snow removal activities. ❖ **Mailboxes.** The Township office receives calls concerning damage to mailboxes, fences and shrubs due to plowing. This is generally caused by the snow wash coming off the plow. Damages can vary due to the type and amount of snow and the condition and construction of the mailbox and post or fencing materials. **The Township will not be responsible for repairs to mailboxes, fences or shrubs placed within the legally defined right-of-way of its' roads.**

LIBRARY HAPPENINGS . . .

The Parkland Community Library has several events scheduled for their adult services department: **October 7th**, 7 PM Lauren Weisberger will read and sign her book "The Devil Wears Prada" (books may be purchased at library); **October 14th**, 1 PM Carol Higgins Clark will be signing her book "Popped" (books may be purchased at library); **November 1st**, 2 PM Bob Ott and Wally Ely will be talking about their book "Dorney Park" (books may be purchased at library); **November 8th**, 1 PM there will be a workshop "Christmas Critters". Please bring gardening gloves as you will be making ornaments from natural materials; **November 12th**, 7 PM "Handwriting Analysis Workshop"; and lastly **December 10th** "Flower Centerpieces for the Holiday Table". For additional information on the above events please call the Library at 610-398-1361.
