

Disc Golf Course Relocated

The township disc golf course has been moved from Levans Park to Neffs Valley Park. The scenic Neffs Park provides a perfect location away from heavily used walking paths at Levans and Kolepecka Parks. Disc golf is a fun activity for all ages. It is played like ball golf with players trying to throw a disc or frisbee into the metal basket in as few throws as possible. Enter the park from the Neffs Laurys Road entrance to locate the first tee. The tee areas are marked with signs to guide you through the course. Bring out the whole family and give this fast growing sport a try.
