2023 Yard Waste Application - Frequently Asked Questions

Will my information from previous years automatically transfer over?

A: NO - you will need to reapply.

Will I be able to use this sticker for 2022?

A: NO - stickers will only be valid starting January 1, 2023.

I know someone who does not have a smartphone or a computer to fill out this application. What can they do?

A: We will have physical copies available at our Township Building and at our Yard Waste Facility! The procedure will stay the same; a sticker will be sent in the mail starting December 1, 2022.

I realized I lost my blue card to get into the Yard Waste Facility for the remainder of this year. What should I do?

A: If you need a replacement card, please email news@northwhitehall.org. As per standard procedure, you will receive a blue card in the mail with the same expiration date of December 31, 2022.

I plan to purchase a new vehicle next year; how do I go about receiving a new sticker?

A: Please call the Township at (610) 799 - 3411 for a staff member to manually change your vehicle and license plate number. A new sticker will be sent in the mail free of charge.

I borrow a friend's vehicle or rent a U-Haul. How can this be handled?

A: If you cannot place your sticker on the lower left of your windshield, you must bring the sticker and a photo ID for access.
