NORTH WHITEHALL TOWNSHIP
BOARD OF SUPERVISORS SPECIAL WORKSHOP MEETING
DECEMBER 10, 2020

Chairman Ronald J. Heintzelman called the meeting to order at 10:00 AM. In attendance were Supervisor Mark Hills, Supervisor Klusaritz, Manager Chris Garges, Township Engineer Steve Gitch, Director of Public Works Rich Deemer and Solicitor Lisa Young.

The sole purpose of this meeting is to visit and inspect various sites within the Township for future topics of discussion. The inspections began with a walk-through of the township building then proceeded to the eastern parking lot to view the recreation area and Township structures.

From there the group proceeded to various locations by vehicle:

1. Jean Court & Mauch Chunk Rd to review a previously installed storm sewer system in the vicinity of Jean Court.
2. The western terminus of Estate Drive to view an agricultural field which is leased out for agricultural uses by the Township.
3. The group parked at Laurys Station Firehouse Park to view the basin outlet.
4. 5477 Mouser Rd.
5. Amanda street to view a recently completed project performed by the Township Public Works crew.
6. 5557 Roberts Road to view improvements made to the end of the roadway several years ago.
7. Neffs Valley Park (3545 Neffs Laurys Rd) to view the pool structure.
8. 4333 Carl Street to view a Township owned property.
9. The group drove through Grist Mill Rd from Old Packhouse Road to view the current condition of the road after it had been closed due to damage from Tropical Storm Isaias in August.
10. The group drove through the Woodlea & Shankweiler intersection to view the location which was the subject of a request to create a four way stop sign intersection.
11. 4733 Shady Lane to view drainage concerns presented by area residents.

ADJOURNMENT The hearing was adjourned at 1:45 PM.

Respectfully submitted,

Christopher Garges, Township Manager
