ELECTRONICS RECYCLING

Step by Step Drop-off Guide:

Electronics Recycling will take place at our yard waste drop off site located behind the North Whitehall Township Building and will operate with the same hours as our Yard Waste facility located at 3256 Levans Road, Coplay, Pa 18037.
Please visit www.NorthWhitehall.org for exact days and times.

1. Appropriate Items and Cost

Check our website to ensure that we will except the items that you would like to recycle.
Please also make note of the nominal fee associated with recycling each item.

2. Arrive at the Township Building

Bring a copy of your driver's license or official Identification (to prove residence) to the township building.

3. Let Us Know What You're Dropping Off

Tell the receptionist exactly what items you have for electronic recycling and make payment (Cash or Check only).

4. Township will Issue Your Receipt

Our receptionist will fill out a triplicate Receipt. You'll receive the top two copies.

5. Drop-off

Head over to the electronics recycling drop off area during regular business hours (check website for hours) and hand one receipt to the attendant (must be done within 30 days of making payment).

6. Attendant Confirms Your Drop-off

The yard waste attendant will use your receipt to verify the materials you are recycling.

7. Get Rid of Your Unwanted Electronics

Place your items into the large recycling container located in the yard waste area, and they will be recycled!

We've designed this process to be efficient and easy for everyone. We expect that this program may be popular, and we ask that you please be patient if there is a line for dropping off materials. We will do our best to ensure your electronic recycling dropoff experience is quick and easy.
